TOGETHER BY A WILD, WONDERFUL **staff** WORKING HARD ALL THE TIME IN ROOM

A yearbook has a great sentimental value to many people. But to the 1977 Archives staff it holds much more than that.

The 1977 Archives staff worked very hard putting together this special book. Every member of the staff devoted much of their time and ideas to take pictures and to make sure that the layouts and copies were right to meet the deadlines. They also worked hard on encouraging the sales by making posters and special announcements during the November sales campaign.

Each and every member of the staff added their personal touch to the events that made the special memories for the times of your life.

The 1977 Archives staff owes a great many thanks to Mr. James Faulkner the best advisor, whom gave a great deal of his time, patience and help to entire staff. A special thanks goes to Mrs. Nancy Cusack who assisted us in the year-book class.

Much appreciation and gratitude goes to both of them from everyone.

EAM WON THE

fall homecoming

1976 Fall Homecoming Queen, Cathy Taylor.

The 1977 Everett Viking Fall Homecoming evening began with the first annual Homecoming Ox Roast, which was a great success. The parade followed, led by the King and Queen candidates and their courts. The game was soon on it's way and off to the highlights of the evening during halftime when they announced King and Queen John Connell and Cathy Taylor, Prince and Princess Earvin Johnson and Pam Parks. The senior court was Scott Warriner and Janet Gray, the junior court was Tom Sessions and Teri Downs, and the sophomore court was Preston Smith and Cyndy Weinman. The senior wrapped it up again this year by taking first place in the judging of the floats. The sophomores took second place and the juniors took third place.

The evening of October 15, 1976 couldn't have been a better evening for the Everett Vikings as they ended it by joining in on the warm and exciting dance celebrating their victory of 21-15 over Warren Towers. It was a time of our lives that will never be forgotten.

For the third year, the mighty seniors take first place in the float competion.

The lovely Queen Cathy Taylor and her court Teri Downs, Pam Parks, Janet Gray, and Cyndy Weinman.

Returning Queen Debbie Graddick crowns the tearful but happy Cathy Taylor.

Winners of the Fractured Olympics came forward to receive their prizes.

Cheerleaders did what they do best.

Smiles played a big part in the Fall Homecomming Pep Assembly, the cheerleaders started things off with one of their mounts, then winners of the fractured olympics were awarded their first place ribbons. The sophomores tried their hand at skits by doing a take off from the Mickey Mouse Club, their court was Preston Smith and Cyndy Weinman, the Junior skit followed with Raggedy Ann and Andy announcing Tom Sessions and Teri Downs as their court. Saving the best for last, the senior class showed that they didn't need big heads, they knew they were the best, Scott Warriner and Janet Gray were their court.

Seniors get rowdy.

Mr. Art Baker, Head Turkey

This years Thanksgiving Project was a great success. Mr. Art Baker was the Faculty advisor, while Sue Smith and Tom Drolett were co-chairmen.

They raised most of their money from the Dance Marathon, which they received over 60% of the earnings. Among the other activities were the football stand concessions and a dance in which you had to bring two cans of food for admission.

They filled over 100 baskets with potatoes, canned goods, and a turkey. Students then volunteered to take them to the needy families throughout the day.

In memory of Miss Elfie Christenson:

Everett has experienced yet another great loss with the unexpected death of Elfie Christenson early last fall.

Miss Christenson was said to be one of the most dedicated and sincere people to hit the Lansing School District. No one will argue with that. Before retiring in June of 1975, she was Assistant Principal from the time she came here from Old Everett which is now Everett Elementary. She was always efficent and well organized as you could tell by how smoothly the Annual Presentation of Roses went year after year ir which she organized and put together for her "girls."

Indeed a great lady has been lost. We'll miss her always.

Everett's performing arts dept. displayed their talent in the musical "Little Me" on Feb. 17 & 18, 1977.

It started as Belle, a young lady from drifters row, fell in love with Noble, a rich guy who loved her too but can't marry her until she had wealth, culture, and social position. She set out to try to get them.

After many years she had no luck, in the meantime tho, she was accused of murder, starred in Broadway, and entertained soldiers in WW2. She was also married and widowed twice. Noble had married Ramona also, a girl with wealth, culture, and social position.

Then Belle acquires wealth, and culture while in a movie. Oil was discovered on the back lot and then she gets social position.

Noble becomes govn. of N. and S. Dakota, his marriage was annulled and is free to marry Belle, but due to drinking he is impeached and goes into hiding.

Belle marries an old friend George Muskgrove.

One day Nobles mother trys to shoot Belle, misses and kills George. While this is happening Noble who has gave up drinking comed back to Belle and they walk off into the sunset.

Powderpuff Football of 1976 ended in a big win for the Mighty Seniors of "77". The seniors started off the game showing the juniors who was boss on the field. The final score of 32-14 was no indication of how bad the juniors actually took a stomping. The juniors never really had a chance as the seniors drove to the goal line immediately, but turned the ball over with no score. The juniors 1st offensive series came up empty handed also. The seniors soon proved to be the more experience and powerful team, as they burst to a 26-0 lead and took the game 32-14.

exchange students

Penny, Monika and Larry get a good laugh out of Creative Writing.

KATRINE, KAIJA, MONIKA AND THOMAS!! What do these name all have in common? They are our exchange students. Katrine is from Norway, Kaija is from Finland, Monika is from Switzerland and Thomas is from Germany.

We asked the four exchange students if they were enjoying their stay here at Everett and it was a unanimous YES.

Each student is studying exactly what they want to study and they all agreed that Everett is much easier than their own schools.

One question we asked of them was what was their favorite American food. Thomas and Monika both like steak and Kaija enjoys milkshakes. Katrine says that she likes everything so much that she just couldn't choose only one.

When they were asked if, they had only one thing that they could take home with them, what would it be? We got a variety of answers. Monika wanted to take home snow. But is very happy to take home her memories of her stay here. Kaija wants to take home milkshakes and our snow and cold weather. Katrine couldn't decide and Thomas, well Thomas would like to take home our cheerleaders and football equipment.

The exchange students will be going back to their own home during the summer. We hope that they can take back happy memories of their stay here and that they have a pleasant trip home.

Everett has a very special group of people they are the Honor Society.

The Honor Society are the good guys at all the football and basketball games. When you are dying of thirst or hunger it's the Honor Society who provides all the good things at the concession stands.

The Honor Society is a very busy group of people. In November they sponsor the Powder Puff football game, and the Thanksgiving project, which provides food for the needy familys of our community. In the spring they have a blood drive. The Honor Society also has an exchange day. This is where all the Honor Societies in the CAC, exchange students for one day.

You may ask who could possibly adivse and keep up with this ambitious group of people? Why, Mrs. Anne Kellerman of course. She is their fearless leader.

NEXT ISSUE OF THE **everett today** WILL BE OUT

There's one class at Everett that combines creative writing, typing, graphics, and photography. This class is Journalism 114, better known as the "EVERETT TODAY."

Everett has had a newspaper since 1960, but until 1974 it was known as "THE VIKING." Along with a new name the "EVERETT TODAY" has a new advisor, Mrs. Diane Hall

Editors-in-chief were Lisa Laatsch and Tina Lenneman. Lisa, Tina, along with a great staff, made the "EVERETT TODAY" the best ever.

ABOVE LEFT: Copy Editor Lori Lindsey corrects written material. ABOVE: News Editor Kathy Gibson and Sports Editor Ruth Funk discuss next issue.

1977 Winter Homecoming really turned out to be a fun and exciting day and evening for all. Each class began to show their spirit by displaying posters of their class in the cafeteria. The day ended with a pep assembly sixth hour and each class putting on a skit. Adding to the spirit of the day, the Senior, Junior and Sophomore classes made Homecoming floats. During halftime of the Varsity game the Homecoming Court was announced. Sophomore court was JoLynne Downs and Bob Rogowski, Junior Court was Martie Baker and Bruce Fields, and Senior Court was Donna Rivet and Larry Hunter. For the final touch of the halftime activities, Jill Whitecraft and Jaimeie Huffman were crowned Queen and King along with Kathy Earley and Princess and Paul Dawson as Prince.

The evening ended with the Vikings having a victory game over the East Lansing Trojans with a score of 109 - 41. The Homecoming dance was held in the activities room. I'm sure this will be a memorable and happy evening for everyone at Everett.

PEOPLE THAT WANT TO SIGN UP FOR THE **dancemara**

OW! Will you stay off my feet.

They could have danced all night and most did.

It was on Friday, November 19, at 3 P.M. when the Activity Room came alive with music and dance. Thirty couples were on their way to dance till their hearts content; twenty-four hours of long hard dancing but they were ready for it. They came armed with everything from food to Ben Gay. Eighteen couples and seven individuals battled it out to the very end.

All of the money that was raised was distributed in the following manner. Sixty percent of the money went towards the Thanksgiving Project and Forty percent went towards the Elfie Christianson Scholarship Fund for Seniors.

Thank you to all the teachers and students who helped make the dance marathon such a big success this year.

SPORTS

We've said it before and we'll say it again, "We're number one." You could hear those shouts from both sides of the court during the game, but in the end it was us, "The Everett Vikings", who took the Class A State Championship. Our Vikings won a 62-56 game against Birmingham Brother Rice on March 27, 1977. The game wasn't easy for either team and we were really sweating when there was only five and a half minutes left and we trailed by seven points. By this time Brother Rice had settled into a four corner stall, which they thought could stop the Viking team. They were wrong, and the only thing that kept them in the game was a 47 foot shot fired at the buzzer by Brother Rice All-Stater Kevin Smith. This tied the score and the game went into three minutes overtime. The Vikings never gave up and they went on to win the game with a 62-56 victory.

The 1977 basketball season was definitely the year of the Everett Vikings.

The Vikings ended the season with a fantastic 27-1 record. The Vikings only defeat came in February at Jenison Fieldhouse against cross-town rival Eastern, 70-62. This loss only caused Everett to work harder and gain control, thus helping the Vikings to turn the table and gain revenge by beating Eastern, 63-41 in the districts. The Vikings defeated Sexton in the district finals. This district win was Everett's fourth district title in four years.

After winning the district the Vikings overcame Howell, (93-32) and Battle Creek (64-44) in regionals, and gained their third regional title.

Next came quarterfinal action and another Viking victory over Ypsilanti, 86-57.

In this year's semi-final match-up Everett squeezed by Saginaw, 48-40.

The high point of the season and the game to be long remembered was Everett against Birmingham Brother Rice for the Class A State title. The Vikings won, 62-56 and brought Lansing Everett its first state basketball title in history.

All-Metro, All-State, and All-American Earvin Johnson was again the M.V.P. on the team. He averaged 28.8 points, and 16.8 rebounds a game. He also had 208 assists and 99 steals this year.

Earvin's followed by Paul Dawson and Larry Hunter consectively. Paul had a average of 11.8 pts. and 8.1 rebounds a game. Larry Hunter had 9.1 pts. and 5.7 rebounds a game.

Everett has a lot to look forward to next year with Juniors Dale Beard, Tony Daniel and Bruce Fields returning. These three juniors averaged 19.8 pts. a game combined. Senior transfer Jaimie Huffman had an average of 8.3 pts. a game and was a big plus to the Viking Squad this season.

The only disappointing thing Everett saw in '77 was the loss of seniors (and captains of the '77 squad) Earvin Johnson, Paul Dawson, and Larry Hunter, While this three-some was at Everett they led the Vikings to a 72-5 record.

The 1977 Varsity Basketball team will be a tough team to follow. The Viking squad, consisting of six Seniors, will long be remembered by the Greater Lansing area.

Graduating Seniors: Earvin Johnson, Larry Hunter, Paul Dawson, James Lauderdale, Dean Hartley, and Jamie Huffman.

Everett's junior varsity shined this year losing only six of their games. Three of them within the last seconds to Waverly, Grand Ledge, and Eastern by one and two point margins. They were faced with a lot of pressure from many sellout crowds, but they pulled through most every time.

The strongest player seemed to be Bob Rogowski shooting 57.8% from the field and 43.9% at the line. Putting up a strong offense was also Reggie Royals goal shooting, 48.6% from the field and 34.2% at the line. Brian Sanders and Kim Jones also put forth their efforts for a fine season; and with the help of Preston Smith racked up many points for our team. Kim Jones missed five games but he led the team with 66.0% from the floor, and 52.1% from the line. All of these fine players will add to our varsity squad next year.

Senior wrestler John Connell was All-State this year. Along with this honor he received many more including, being named outstanding wrestler in the state tournament for his weight class 145 for all classes A,B,C,D. He was also named National High School All-American and also received a medal from the Detriot News for his All-State title. John was also voted Most Valuable wrestler on his own team by his teammates.

Our wrestling team had a tremendous season, highlighted by posting six of our wrestlers in the regionals. Senior qualifiers were John Connell, Dave Ryder, Eric Staab, and Rick Cipicchio, along with juniors Jeff Henderson and Ron Kniffen. John Connell was the only one who prevailed state champion. The team had an outstanding invitational tournament record, taking a first at both Ypsilanti and Mason invitationals. Jeff Henderson put Everett in the spotlight by accepting, "The most outstanding wrestler in the tournament award", at Mason. We also placed second at Schwartz Creek and Eaton Rapids. We ended up second in the conference behind Eastern, by posting an 8-2 dual meet record. All-Metro honors went to Scott Warriner, Rick Cipicchio, John Connell, Jeff Henderson, and Dave Ryder. These Wrestlers also represented Everett in this area's All-Star meet, held in Eastern's new field house.

Although only six will continue their quest for All-State honors, all of this years wrestlers gave fine support all year, and they are as follows! Kevin Banham, Ken Wrigglesworth, Greg Chadwell, Scott Warriner, Don Harkness, Mike Kerr, Martin Barner, Ed Anderson, and Bruce Eddy.

Great teams are not without great coaching, and we reciened ours from Sam Davis and Jim Hunt.

Gymnast's Have A Good Season.

The Gymnastics team closed out another exciting season with a 13-4 record. They left their fans in awe, as they showed us their outstanding talents on the balance beam, uneven parallel bars, floor exercise, vaulting, and tumbling.

Along with a great season score the gymnastics team had six girls qualify for Regionals. Their names are: Rhonda Bogle, Shari Cheadle, Terri Downs, Tammy Gallimore, Janet Gray and, Cheryl Lenz.

Senior Janet Gray was the only gymnast who went on to state finals. Janet finished her season with these scores at the state finals: 7.80 Beam placed fifth; 8.25 Floor-X placed ninth; 7.50 Bars placed twelfth; 7.90 Vault placed sixteenth. All Round Janet placed sixth.

The 1976-77 Varsity Football, Basketball, Wrestling, and J.V. Cheerleaders were absolutely the best ever. All squads were picked in the spring of 1976, with the exception of the wrestling squad, which was picked in November of 1976.

The varsity football squad had a new experience this year, with adding 3 young men to the team. All squads were blessed with a great cheerleading coach Mrs. Sharon Pettit who was assisted by Mr. James Stroup.

The 1976-77 Mens Swim Team has shown much improvement over last year by taking a third place in the Waverly Relays. The backstroke relay swam to victory giving Everett a gold medal. Everett also made a strong showing at the Vehicle City Relays taking second place. Two first place trophies were brought home by the breast stroke relays and the 200 freestyle relay.

Two outstanding swimmers on the team, seniors Doug Ward and Ron Denesuk both had a great season. Doug Ward made a new school record in the 500 yd. Freestyle in the time 5:17.4. Ron Denesuk took C.A.C. in the 50 yd. Freestyle along with the new school record in the time 22.6. Ron also was named a member of the ALL-METRO swimming team.

Ron Pohlonski, a most dedicated coach, looks forward to another good season. He was ably assisted by "Big John" Bullock.

Golfers Tee Off

The Golf Team suffered a few setbacks this season with a record of 1-13. "We had a year with many close matches. The team had difficulty getting five players to score well at one time," stated Coach Pat Holland.

The league was relatively well balanced. "That's where we had problems. Score wise, we did just as well, but we didn't have the consistency needed to win matches."

Next year there will be three Seniors, and four Juniors returning, so the team will have the experience and knowledge needed to establish a strong team.

It was one beautiful year for the Girl's Tennis Team. With a record of 8-1, the girls took second place in the Capitol Area Conference, marking it the best season in the history of Girl's Tennis at Everett.

Coach Harris Webster accounted for the overall team winnings by saying, "It's been the best balanced team I've had in all my years of coaching Boy's and Girl's Tennis. It's loaded with winners from top to bottom."

With seven Seniors laying down their rackets, Mr. Webster commemorates them by saying, "The Class of '77 was the best class for tennis." Five Juniors will be returning and Mr. Webster hopes many more girls will join.

Girl's Swim Team

The Everett swimmers started the season with a big splash. Although they did not have a very successful season in the CAC, they did set a few new school records. Among those set are the following: 100 yard freestyle-Donna Rivet (105.4), 100 yard backstroke-Linda Thomas (1:146) Diving-Carla Eymann (164.20 points), Medley relay-Thomas, Raymond, Rivet, Burkholder (2:18.4), Freestyle relay-Rivet, Pohl, Burkholder, Thomas (4:39.22)

As the starter says, "Runners, take your mark." Bang!, they're off and running across 3 miles of hills, trees, and flat land the Cross Country team keeps on running.

Quoted by Senior Ted Patino, "We had a lot of talented runners this year, but we just couldn't seem to put it all together." It didn't seem that way for Senior Doug Ward, though, as he took 5 first places, placed 3rd in the CAC, and 15th in the State Regionals. When Doug qualified for the State Finals, he placed 53rd out of 70 runners from all parts of the state.

All in all, they had a pretty good season. With a 5 and 2 record, the team placed 6th in the CAC and sent a runner to the State Finals. We can surely say that we're proud of our team.

The Everett Girls Varsity Basketball Team bounced back into action this year. With the returning of Coach Johnson the girls were coached to a 13 and 4 win loss record, and a district championship. (The second straight for Everett behind the coaching of Mrs. Johnson). The Viking Girls were led by the brillant play of sophomore Evelyn Johnson, who adveraged 25 points and 10 rebounds a game, for a season total of 445 points. Evelyn was backed by Senior Jean Piotrowicz, who added 9.7 points and 5.7 rebounds a game. Junior Lucy Jackson also added 5.2 points and 4.5 rebounds a game. The girls went on to the Regionals where they lost a heartbreaker to Loy Norrix 53-42. The Viking Girls are only losing 3 players: Seniors Jean Piotrowicz, Jackie Fitzpatrick, and Sharon Mackey.

The Donkey Basketball game at Everett was held in the gymnasium on November 10, 1976 starting off with the Sophomores vs. Juniors. The Sophomores fought hard and got the Juniors upset; so the Juniors got together and put on the heat. The Juniors won and the score was 4 to 2.

The next game was the Teachers vs. the Mighty Seniors. The final score was 6 to 2 with the Seniors out ahead.

Then Halftime!!! With Musical Donkeys! There were 5 players and 6 donkeys. Mrs. Ferco was the winner.

Then the play off!! Seniors vs. Juniors. They went into overtime with Mighty Senior Dave Harris scoring 2 points to win the game. Seniors-2, Juniors-0.

COACH POWERS BRINGS IN BEST SEASON IN SIX YEA

"We have 46 dressed". It's too bad only seven can play at one time, but a team is only as strong as it's bench. The vikings stood silent as head Coach Powers had no idea how true his words were. In his next couple of games, he would lose four starters, Craig Bowersox, Tom Matt, Dana Beachnau, and running back Olen Brooks. Mr. Powers was then forced to test the strength of his bench. Sophomore Tom Binkley, and Seniors, Jim Lauderdale, Ken Dudley, and Dave Harris stepped into the open positions. In the last five games of the Season Coach Powers put these reserves to the test and was pleased with the outcome. The Vikings went on to win the first four out of the five victories over Warren Tower, Sexton, Waverly and Harry Hill. Coach Powers' men were kept from a share of the CAC crown by a disappointing loss to East Lansing.

Special Awards went to: Bob Mims MVP, Russ Colbry Most Improved, Brian Allen and Duane Ferris Most Humorus, Phil Hansens Loyalty Award.

Bob Mims- "I'm really happy I made it. There were a lot of tough backs in the area."

Eric Staab- "It's an honor for me to be selected for All Conference."

Ken Sailor- "I'm happy about being recognized as All Conference. I've never received such an award.

Mr. Powers- "The true honor of being recognized as "Coach of the Year" goes to the team."

Viking JV's Have Very Productive Season

The Everett J. V. Football team turned in a stellar performance this year by posting a 5-2-1 record. A very narrow defeat at the hands of Warren Tower and a tie at Holt, prevented the team from posting an outstanding record.

Notably the team was spearheaded by a strong defensive unit which was very stingy when it came to letting the opposition into our endzone.

This was a fine unit which will be a tremendous addition to our Varsity.

They ended up having thirteen girls on the team and improved as the season progressed. Their season record was zero wins and eight losses. The girls took sixth in the CAC meet. The winner for the Most Valuable Player was Christal Gearhart, Caryn Trapp won the Most Improved, and there was a tie for Most Dedicated Player, they were Janet Christian and Cathy Jo Taylor.

Vikings were victorious in '76', posting a 12-0 record in league and a fine 16-3 record overall. Fine defense, good pitching and hitting were major reasons for success. There were a couple of big dissapointments, those being dropped games in the Pre-District and the semi-final game in the Diamond Classic to Jackson 3-2 and Waverly 4-1 respectively. Another high spot during the year was that Everett placed three players on the All-Conference team, Tim Dunham, Dean Hartley, and Fred Smith. Dunham, Hartley, and Smith, along with Jim Demorest and Ken Dudley were named to the All-Metro team. While Dave Hutchins, Mike Mulvaney, and Wendy Trobridge received All-Conference honorable mention honors. Along with being All-Conference and All-Metro, pitcher Dean Hartley who posted a 6-0 record during the course of the season was an All-State honorable mention pick.

Tim Dunham was voted most valuable player for 1976 and had the teams leading batting average, which stood at .348 at seasons end. To top the season off our coach Jake Boss received the highest honor as a coach, being voted 'Coach of the Year', by his fellow coaches.

The counselors we have here at Everett are all fine, dedicated people. These six counselors are always ready and willing to help you work out your problems dealing with your grades, your classes, and getting information for the ACT and the PSAT tests. They can answer most all of your questions, or at least try their best to, and also help you with problems outside of school. We are very grateful to all of them.

We also have seven Career counselors located in the Career Center across from the main office. They will help you plan your future such as which classes you should take for the field of work you are interested in. They can also supply you with information about the Armed Forces and have many different books containing information on the college or colleges of your choice which you can take and look at. Be sure to stop in if you need help with your future.

Everett is fortunate to have such a fine English department which is headed by Anne Kellerman. There are many interesting and rewarding courses offered. For those who are journalistically inclined, there are two such classes offered. One, in which you work on the fabulous Everett Archives, and another in which you work on the school newspaper, the Everett Today.

There are also reading classes, where you can improve your speed and comprehension; and literature classes where you study about such authors as Henry Wadsworth Longfellow and Ralph Waldo Emerson. Composition and Reading for Pleasure are also offered. So, you see, there's an English class for everyone's interests and needs.

Student teachers? What are student teachers? Student teachers are students from colleges who come to Everett to have a chance to teach while they go to school to become teachers. Mr. Ron Whitmore is their fearless leader. He assigns them to a certain class and then they all get together and discuss with other teachers how to handle classroom problems and students. During the first semester of school we had eight student teachers. Their names are: Mrs. Cusack, Mrs. Lemke, Mrs. Gayon, Mr. Hicks, Mr. Johnson, Mrs. Thursby, Mr. Jarvis and Mr. Anderson. All of these student teachers had to leave Everett on Nov. 19. We all hated to see them go, but many of them said they'd be coming back soon to see us.

Student teachers gather around at lunch for a discussion.

Perm. Subs.

Permanent Substitutes Jim Hunt and Laura Siebold.

Every high school has to have permanent subsitutes and here at Everett we have two of the finest. Their names are Mr. Jim Hunt and Ms. Laura Siebold. This is Ms. Siebolds first year at Everett but this is Mr. Hunts second year.

Some of the things that a permanent subsitute has to do is take over a classroom when a teacher must be excused, or if the teacher is ill for the day. Jim Hunt and Laura Siebold not only help teach but they both help coach a sport here at Everett. Jim Hunt is the J.V. Wrestlers coach and Laura Siebold is the J.V. Girls Basketball coach. Laura Siebold is also a diving coach for many of the Lansing schools.

Some students help teach at elementary schools, some junior high and some senior high. In a classroom they give help to the students and help the teachers out by correcting papers or running errands.

To know Art is to love it. Here at Everett we have the finest art department any school could possibly have.

The Everett art department is also lucky to have two fine art teachers like Mr. Douglas McNitt and Mr. Howard Neely.

Mr. McNitt and Mr. Neely offer many exciting and different art classes such as Ceramics Painting and Drawing, and Art Survey just to name a few.

Each class is very different from the others, but if you're not sure what you're interested in you should take Art Survey. Art Survey is a class that touches on a little bit of everything.

Educational, excitement, and fun are just a few of the words that describe the Academic Interest Center. At the A.I.C. high school students from all over Lansing can take classes which are not offered at their own school. If these students need a ride to and from the A.I.C., they may ride a school bus.

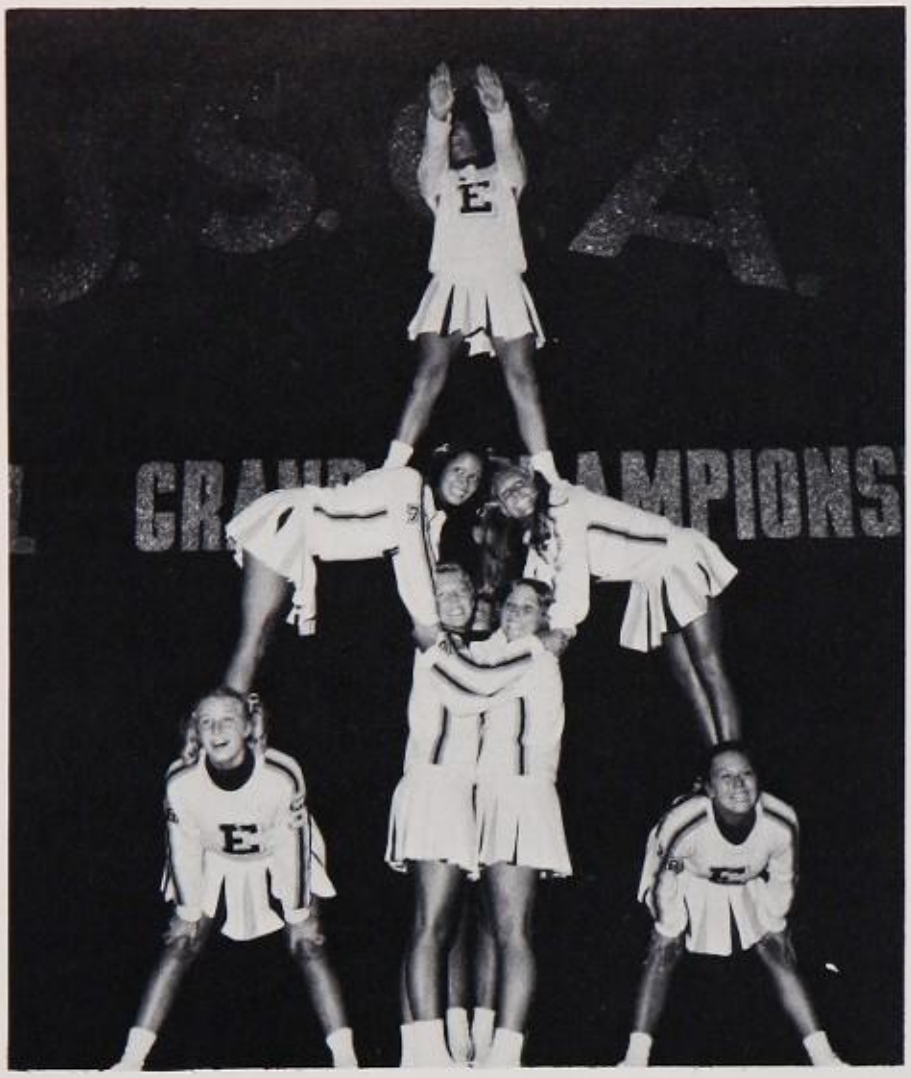
BELOW MIDDLE RIGHT: Sticking together thick through thin thats Barry and Brain. BOTTOM LEFT: Mr. Carter gets into his own wonderful music. BOTTOM RIGHT: Steve and Melinda paint posters vigorously as an artist would a painting.

CLOCKWISE: Lee Ann Fleetham works busy as a bee on her term paper(ha, ha). Chorale members tuning up for a performance. Beth, Tammy, and Kim set out their lunches and are now ready to dig in. Mike Bohr believes "Milk is a natural". Melinda Struthers believes "H^2O is a natural".



Varsity Cheerleaders perform Yield Mount during their night time performance at U.S.C.A. Competition.

The 1976-77 Varsity Basketball Squad had a hard and rewarding year. They started off by taking 6 ribbons for cheerleading and mount skills, a ribbon for pom pon routine, and a ribbon for skit performance. All this lead to the success of a 1st. place National Trophy at U.S.C.A. Camps All American. This 1st. place trophy entitled them to compete in the Grand National Championships with 96 other champion squads throughout the United States. The U.S.C.A. Grand National Cheerleading Competition was held at the Civic Center on August 20th and 21st. The outcome of our girls was a place among the "Top Twenty" Cheerleading Squads in the United States and a place among the "Top Ten" in pom pon routine.

These girls have performed at many clubs and organizations throughout the year including cheering the University of Michigan vs. Navy football game before 104,000 people on Sept. 25, 1976.

These National Champion Cheerleaders are: Juniors: Martie Baker and Karen Balassès. Seniors: Kathy Earley, Pam Parks, Lori Sandefer, Sue Smith, Cathy Taylor and Jill Whitecraft. Of course, you can't have a successful squad without having a fantastic coach, Mrs. Sharon Pettit.

LEFT- Grand National Champion Cheerleaders receive plaque for "Top Twenty"

Pam Parks, a cheerleader all three years here at Everett and also captain of the 1976-77 cheerleading squad, participated once again in U.S.C.A. Nationals and U.S.C.A. Grand Nationals. In the past two years Pam has received trophies for 1st place Individual Cheerleading in the U.S.C.A. Nationals, 12th runner-up Miss Teenage Cheerleader at the

u.s.c.a. national competition

Martie Baker shows perfection during nighttime competition.

Lori Sandefer takes time-out from a busy day for a bite to eat.

Varsity Cheerleaders perform their award winning pom pon routine before many V.I.P.'s at the Lansing Towers Hotel.

USCA grand Nationals, 5th place in Individual Cheerleading at M.S.U., 2nd place Individual Cheerleading at U.S.C.A. Nationals and 6th runner-up Miss Teenage Cheerleader at the U.S.C.A. Grand Nationals. Good work Pam. All of Everett sure is proud of you.

E SPIRITED *juniors* AWAIT THEIR PROMISING SENIOR YEAR FOR . .

1977 Junior Class Officers: FROM LEFT Treasurer, Patti Hibblen: Vice President, Tom Sessions; Class Advisor, Sam Davis; President, Diana Dudley; Secretary, Pam Spurgeon.

The juniors have shown great progress this year. With the guidance of our Junior Class Advisor, Mr. Davis, the class started out the year by electing its first male officer. It got things underway with everyone working on the fall homecoming float. The float came in second.

We were together as sophomores and with our spirit and ambitions we are together as juniors. With a little more work and a little more effort next year will be better than ever. Everett lookout for the Class of Seventy-eight its the one that is going to be great!

Oh no, there went my books,
They just fell on the floor.
This is the kind of catastrophe
a person can't ignore.

There goes that door again,
it always slams on things.
And I have to get to my locker
before the first bell rings.

What a way to start the morning-
I just broke my pencil lead.
The way this day is heading,
I should have stayed in bed.

Already it is lunchtime-
school lunches for us all.

And now we all are heading
for the lines of heartburn hall.

I forgot about the exam
that we're having in Business Ed.
So I'm really cramming for it,
while I'm wishing I were dead.

The last bell has finally rung,
through the bustle and the fuss.
By the time I reach the front door,
I'll be told I missed the bus.

So another day at Everett
has finally ended;
And we all hope and pray,
that tomorrow will be a better day.

The credit union is one of them, representing an idea that is nearly 126 years old.

The unique thing about a credit union is that it does a lot more than just bring people together for the purpose of saving and borrowing. More importantly, it gives all of us the rare opportunity to pull together . . . to help and be helped through an experience of participation and sharing.

When you talk about the credit union, you're talking about strength in numbers . . . true people power.

"I thought sporty fun cars were gone forever. But the new Olds 442 renewed my faith. Yeah–They built one for me."

It finally happened. Old Faithful broke down.

Not only did I have to walk to the beach for the first time in 5 years, but I was sure I'd never find another car with all that sporty style.

Then I walk by this beautiful, and I mean beautiful, new Cutlass 442. It had a slant-back grille, a big old competition stripe, and all the extras*–super stock wheels, raised white-letter tires, bucket seats, 5-speed transmission. I stuck my head inside to get a better look at the gauges when the guy that owns it comes by. I thought, "uh-oh–here comes a knuckle sandwich." But instead he asks me if I wanted to take it around the block.

It was unreal. That FE2 Rallye suspension gave me that good old cruisin' feelin'. And the guy told me it was even available with a 403–that's the new lighter weight Rocket V-8. On top of everything, it's an Oldsmobile.

Well, I thought they stopped making sporty street machines like that when they stopped making beach movies. But that little ride made me a believer again. I said to myself, "Man–they built one for me."

And who knows–442 might even improve my standing with Sharon.

But that's a whole other story.

You stand so tall on the crest of the hill
Looking down at the valley, peaceful and still,
Tracing the pathway of your ascent,
Feeling the joy of accomplishment,
Recalling the friends you met on the way
As onward you journeyed with each new day.

Then lifting your gaze from this happy sight
You look up to a mountain bathed in light
And feel the urge to go forward and seek
Another pathway to reach that peak,
One you have conquered before in dreams.
What does it matter how far it seems?
Just as you found in your previous climb,
You can do it by taking one step at a time!

Patricia White

This year has gone by so fast, but so many memories have been left behind for us to remember. The staff and I hope we have captured some of these moments for you here in this yearbook. I would like to thank our wonderful advisor, Mr. Faulkner for all his guidance, patience, and understanding through out the year. Also for his wonderful smile that kept the staff smiling even through the toughest deadline. A warm thanks to Mr. Hicks for all his extra time he spent on getting pictures ready for their pages. And thanks to you, for making it possible to fill the pages in this book.
